SIERRA COMMUNICATIONS & CONSTRUCTION INC

**A Native American Owned Construction Company
8(a) HUBZone MBE DBE UDBE CPUC/DOT**

SCCI is a General Contractor that specializes in General Engineering, Facility Maintenance and Communications projects. We offer proper and efficient execution and management of construction contracts. We understand the critical nature of RFP/Delivery Order review, rapid proposal response and timely completion of projects. We possess on-going relationships with valued subcontractors and exercise collaborative partnerships when executing projects. We enforce strict adherence to Safety and Quality requirements.

SCCI has demonstrated success on state and federal sector projects, along with commercial and industrial projects in the private sector. We strive to be the leader in providing value-added construction services to our customers by creating a successful partnership with them throughout the construction process. Our goal is to establish a lasting relationship with our customers by exceeding their expectations, upholding the highest standards of quality, and gaining their trust through unsurpassed performance by every member of our construction team.

Mission – To exceed the expectations of our customers by developing and implementing progressive strategies that increase our competitiveness and enhance the safety, opportunities and quality of work life for our employees.

PAST PERFORMANCE—SAMPLE PROJECTS

WASTEWATER STORAGE POND EXPANSION— CA Correctional Institution, Tehachapi, Kern County, CA

Contract Number: [C5609152](#) | *Contract Amount:* [\\$1,553,805](#) | *Agency:* [CA Dept. of Corrections & Rehabilitation](#)
This project was for the construction of a new 41 million gallon wastewater storage pond at the CCI Tehachapi facility. There were essentially four features of work on this project: 1) SWPPP plan preparation and BMP installation and monitoring; 2) Earthwork to form the basin and sides of the new pond (approximately 16 acres); 3) Underground piping (up to 32 feet deep) to connect the new pond to the existing wastewater system; and 4) Installation of a new HPDE pond liner. SCCI utilized specialty subcontractors for the establishment and implementation of the project's SWPPP program and for the installation of the new HPDE pond liner. All other work was executed using SCCI's skilled in-house crews. At the completion of this project there were no items identified for the punch list.

POC: Modesto Negrete | *PH:* 661-822-4402 x4600 | *Email:* modesto.negrete@cdcr.ca.gov

YOSEMITE ENVIRONMENTAL EDUCATION CENTER – Yosemite National Park, Mariposa County, CA

Contract Number: [YOSE-76026](#) | *Subcontract Amount:* [\\$2,263,950](#) | *Agency:* [National Park Service / Fortune Ratliff \(Prime\)](#)
